

STARTING TO READ THE BIBLE CAN BE PRETTY INTIMIDATING.

Unlike most books you read, you don't have to begin reading the Bible on page one. In fact, we recommend that you start by getting familiar with the life and teachings of Jesus Christ through the chapters listed in this booklet (Topic 1), to give you a basic foundation of your faith.

The following reading courses take you quickly into passages of the Bible that every Christian will want to know. Spend two weeks on the first topic, then work your way through the others. You can view passages online at www.biblegateway.com
